*** IMPORTANT NOTICES - PLEASE READ ***

Work may begin only after receiving a validated permit and permit card. Application alone does not grant the right to begin construction	Do not discharge water into the right of way or storm drains without approval from the Building, Planning and Zoning Department
All construction of demolition must be maintained in a clean, neat and sanitary condition free from construction debris	Equipment and materials shall be stored at least 10 feet from the of the right-of-way
Streets and neighboring properties surrounding the construction site shall be kept free from dirt and debris	Dept. of health and Rehabilitative Services (HRS) approval is required for applications involving septic tanks. Dept. of Environmental Resources Management (DERM) and/or Miami-Dade Water & Sewer Dept. are required for applications involving sewers.
Swales must be protected from being damaged by equipment or vehicles	Permit Card and Plans must be kept on site, visible and in good condition.
Construction trailers are prohibited on single-family residential construction sites. Other construction may have a trailer, which requires a separate permit.	Owner Agents must have an affidavit in file or one must be brought with permit application

THE UNDERSIGNED APPLICANT DOES HEREBY

Request That a building permit be issued on the basis of this application and the attached plans and specifications (if required). Applicant understands that all City of Oakland Park Building, Electrical, Mechanical, Plumbing, Zoning, and Code of Ordinance requirements shall be complied with, whether specified in this application, plans and specifications or not.

I understand that separate permits must be obtained as required by South Florida Building Code, including those for all electric, plumbing, mechanical (air conditioning), roofing or other work.

FURTHER, I state, that no violations exist on the property at this time. I understand that approval of this permit application does not relieve the permit holder of his or her responsibility to conform to all applicable laws and codes, even if an approved plan indicates such non-conformity.

HAVING read and understood all parts of this application, I agree to all conditions of issuance of permit.

Contractor, Qualifier, or Owner only
